EARLY ACCESS EDITION

Lemonade Lab is a one-of-a-kind luxury picnic experience designed for a slow summer afternoon with friends and family.

When you arrive, everything is already set up and waiting for you. Settle into a beautifully styled picnic complete with cozy seating, a tent lounge, and thoughtful details throughout.

The highlight of the experience is our interactive DIY lemonade bar, where guests can mix and create their own custom lemonade using fresh ingredients and simple recipe cards.

Choose from one of our favorite park locations, or bring the experience home and host it right in your own backyard.

Whether you're celebrating a birthday, planning a girls' day, hosting family in town, or simply looking for something different to do this summer, Lemonade Lab turns an ordinary afternoon into a memorable experience.
